Instructions

This survey will help your teachers understand how students feel about school. You need to colour in **one circle** to show your answer to each question. There are **two** sets of questions.

1) The first set ask how much you **agree or disagree** with a sentence. You can choose “Strongly disagree”, “Disagree”, “Agree”, or “Strongly agree”. Here is an example.

		Strongly disagree	Disagree	Agree	Strongly agree
E1	I like being at school.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

For E1 the person **Agrees** that they like being at school.

2) The second set of questions ask **how often things happen**. You can choose “Never or hardly ever”, “1 or 2 times a year”, “1 or 2 times a month”, “1 or 2 times a week”, or “Almost every day”. Here is an example.

		Never or hardly ever	1 or 2 times a year	1 or 2 times a month	1 or 2 times a week	Almost every day
E2	I get bored at school.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

For E2 the person thinks that they get bored at school **1 or 2 times a week**.

This survey is not a test. There are **no right or wrong answers**. Choose the answer that is best for you. If you are not sure, choose the answer **closest** to how you feel.

Think about what school is like **this term** when you are answering the questions.

Please use a pen to colour in the circles. If you want to change your answer, put a cross through the circle you want to change (X) and fill in another circle.
